[Follow](#)**About Us**

We are a full service auction facility that can handle all of your asset remarketing needs. Our professional team will develop an auction plan that best suits you and your business needs. We specialize in all types of asset remarketing from small farms and contractors to large company liquidations. No auction is too large or small for our team to handle. We pride ourselves on individual customer service where our buyers and sellers are treated like family.

**Latest News****Benefits of Selling at an Auction (/news/46)**

We have people ask all the time, what are the benefits of selling my items at an auction rather than trying to sell on my own. There are multiple benefits of selling through an auction facility! 1. Speedy Process, Quick Turnaround An auc [...]
